

I was born on March 22, 1958 in Kharkov (Ukraine), where graduated from music and high school. I've always painted, as long as I can remember.

I graduated from the Kharkov State University of Construction and Architecture, worked in the Kharkov regional city department of architecture. Then worked as an architect in a private construction company. From 2004 to 2012, I headed my firm for interior design in the city of Kharkov, where I realized many interesting design projects. At this time, I seriously engaged in painting, participated in all-Ukrainian art exhibitions, held solo exhibitions in different cities of Ukraine. I wrote music and studied vocal. In late 2014 I moved to Transcarpathia. Here I held several personal exhibitions. The last of which was in May 2017 in the ancient royal castle of Rakoci in Mukachevo.
